Reports of the State Councillor, the Secretary, and the Treasurer-Address of Welcome from Mayor

Wooding-Officers Elected.

DANVILLE, VA., October 21.-(Special.)-The State Council of Virginia, Junior Order United American Mechanics, met in eleventh annual session in Odd-Fellows' hall, this city, at 9 o'clock this morning, with a large representation

After the reading of the proceedings of the last council the officers submitted their reports.

STATE COUNCILLOR'S REPORT. The State Councillor's report says; "By the indulgence of our Heavenly Councillor we are again permitted to assemble in annual session to review the work of the past year, and to legislate for the future welfare of our order in Virginia. Little did I think, when you entrusted to my keeping one year ago the reins of your noble order, that I would be able to report our order in such good condition as it now is."

dition as it now is."

In speaking of the State Organizer, the report says: I will not use much of the valuable time of this, body, but want to say that I have found a valuable servant in Brother James A. Mullin, who was appointed State Organizer one year ago by the Executive Board. He has worked diligently and placed our order in sections where it was never heard of before, and to-day he has councils to to his credit that are indeed a credit to our State.

to his credit that are more at to our State.

"During the year I have had an unusually large amount of correspondence, and have received more than 1,200 letters, many of them unnecessary, as the questions could have been easily decided by reference to our laws, but all of them promptly answered. I have sent out more than 1,500 letters, many of them to councils and others, urging them on to renewed activity in their respective councils, and considerable work was done in this line at points where I thought it possible to organize new councils.

RECOMMENDATIONS. RECOMMENDATIONS.

"I submit for your consideration the following recommendations:
"I. That the trustees be empowered to have this State Council incorporated.

"I. That the trustees be empowered to have this State Council incorporated.

"2. That we continue the premium of \$10 for organizing a new council.

"3. That the same amount as set aside last session for the use of the Executive Board be continued.

"4. That we continue our subscription to the Patriot and Virginia Courier.

"5. That the Executive Board be empowered to continue an organizer on the best terms available.

"6. That the State Council Secretary be empowered to issue a bulletin of the subordinate councils with the names and address of secretaries, meeting-nights, etc., semi-annually during the months of January and July.

"Brethren, in a few short hours, and near the close of this session, I shall step down from the exalted position in which you placed me one year ago and again take my place in the ranks, where I feel that I can be of more service after my experience in this position. Before closing my report, I desire to testify to the pleasant relations existing between my associates in office, members of committees, and other members of the order with whom I have come in contact. I have had the earnest support of many of the best members ome: members of the order with whom I have come in contact. I have had the earnest support of many of the best members of our order, who have been ready to aid me whenever caalled upon.

"The many friendships made on my visitations and by correspondence will never be forgotten in the coming years. hever be forgotten in the coming years. I part with them now with a sad heart; but the recollections of the past twelve months' association will ever dwell green in my memory. Although I have been called upon to make many sacrifices, and to a certain extent neglect my personal affairs, yet I have nothing to regret, but can trutfully say that my labor for you has been a pleasure to me. I shall carry with me grateful memories for the many kind acts and valuable assistance which kind acts and valuable assistance which kind acts and valuable assistance which I have received from my brethren during my term of office, and I wish to return my heartfeit thanks to this State Council for the high honor bestowed, and to express the hope that I have been able to do some good. Let us all remember that we are building here for the future.

MUCH ENCOURAGEMENT. MUCH ENCOURAGEMENT.

"In this report," says the secretary,
"there is much encouragement for the
thinking members. We commenced the
year handicapped by the loss of the District of Columbia, and hence to make a
gain that would show in our report, we
first had to overcome a loss of 641. Yet,
so faithfully have the workers wrought
in the great American vineyard of Virsinia that we great each other loads in sinia that we greet each other to-day in our eleventh annual session with a net gain of 145 mombers, which means an actual gain of 786. Can we complain of this? I think not.

or this? I think not.
"Judging by the reports, our councils
do not seem to put forth much effort to
reclaim their suspended members. I regard this as a mistake. We want the
new members, but we want the old ones,
as well, for we need every American in

The report calls attention that patri-otic demonstrations were held during the year at Charlottesville, Petersburg, and

Norfolk. The secretary calls attention to what he believes is an important matter—a lever that will strengthen the order in Virginia—viz., a funeral-henefit department. With such an association it is believed some of the councils could pay \$500, by being members of both associations.

The report shows that Liberty Council.

No. 13, at Swansboro', is still in the lead, with a membership of 175, and a treasury of \$242.65.

The secretary says that all indications, to his mind, points to a coming year of great activity for the order; and, if the legislation at this session is wise, with a great improvement in finances. TREASURER'S REPORT.

The report of the treasurer was also read, and at its conclusion the several reports were referred to committees.

The following was read, received, and ordered to record:

removed from the city, I will sell at public auction, on TUESDAY, OCTOBER 22, 1885, at 4:30 o'clock P. M., on the premises, the TWO DETACHED DWELLINGS, Nos. 2207 and 2299 Church Hill avenue. This property has every advantage, not excepting any, that can be found in any property of like value, anywhere in this community. It fronts on a beautiful park; has two schools within three blocks; is near enough to business to walk to and fro, yet is quite out of the way of its noise and confusion; has six churches within as many blocks, and is in a good neighborhood. These things must commend themselves to a shrewd investor. If anybody thinks realty hereabouts is going to decrease in value, then he is advised not to go to the sale. H, on the other hand, he believes there is a good future for it, and has a little surplus money, he is invited to come and help put the ball in motion again.

IT IS A PLEASURE TO US TO EN-PRESS to you our opinion that the dawn of solid prosperity is at hand. The time has come for the settlement of our va-cant and productive lands.
